<sup>i</sup> “It is proposed that out of the amount currently in BIEN's accounts, EUR 10.000 should be invested on a long-term basis, with the interests serving to give BIEN's committee a secure minimum income. This proposal is both "philosophically" in the spirit of the safest way of funding a basic income, and pragmatically congruent with the reliance on the one-off payment of a life membership fee. [...] This BIEN Permanent Fund can be enhanced by further gifts. In particular, the new committee could create a status of "benefactor", whose contribution, over and above the life membership fee, could be paid into this fund” (from the minutes of the 2004 General Assembly).
