

JOIN HANDS AND HEARTS WITH BIEN

A convergence of various circumstances in the 21st century has made a Basic Income policy an achievable goal. Discussions and policy debates about Basic Income are taking place in countries across the world. We see this as an incredible opportunity for BIEN to strengthen its reach and solidify its role as a go-to-source on Basic Income.

BIEN's mandate is to foster informed discussion about this topic throughout the world. For this, we should continue to provide reliable information and a rigorous interpretation of facts about Basic Income. We want to reach every politician, scholar, activist, and artist in every country. To do this we need hands, hearts, and funds.

Hands

Since 1986, BIEN has grown thanks to the incredible efforts of its volunteers. All BIEN Executive Committee members are dedicated volunteers. We need more volunteers. We also need paid staff.

Hearts

We need more supporters, more members and affiliates across countries. We appeal to our members to encourage others to become members and affiliates of BIEN. We want to learn from our affiliates with whom we aim to have a strong and mutually empowering relationship.

Funds

We are initiating **BIEN Hubs** in different parts of the world - Africa, Asia-Pacific, Latin America and Europe. To support this effort, we have been working on fund-raising since 2021. In 2022, we secured a three-year grant from [Mustardseed Trust](#) to increase and strengthen BIEN's presence at the global level. The grant essentially enables BIEN to employ paid staff to strengthen the Hubs. However, a big chunk of the grant is earmarked as a matching grant, realizable upon BIEN raising funds from other sources. In other words, for every Dollar we raise, Mustardseed Trust will give one additional Dollar. No amount is too small. Please donate any amount you can afford. Whatever you give, it doubles. *Our immediate requirement is to raise 10,000 Dollars to appoint a Manager for BIEN Hub - Latin America.*

BIEN is seeking funds for the first time in its 36 years history. We request you to support our efforts to strengthen Basic Income movement across the world. Please join hands and hearts with us.

To learn more about BIEN Hubs, please feel free to contact Hubs Coordinator wolfgang@basicincome.org To donate follow this link: [here](#)
