

UBI4ALL goes worldwide!

We have some exciting news to share with everyone! UBI4ALL is delighted to announce that it is now open to the world! 🌐 They are excited to extend their registration to individuals from all **201 countries** worldwide.

In 2020, UBI4ALL first started as part of an official EU citizens' initiative in its 27 member states. At the end of 2022, they expanded to all other countries in Europe. And now, **people worldwide (16 years and older) can register to participate in the UBI4ALL raffles.** For the sake of simplicity, UBI4ALL is keeping the monthly Basic Income amount at 800 euros. The project is funded through crowdfunding and primarily thrives due to the support of UBI Beavers, who are monthly donors participating in each raffle automatically. Whenever a total of 9,600 euros has been accumulated, a new raffle is held.

So, take this opportunity to register yourself and inform your family and friends around the world about this wonderful opportunity. Invite them to experience a year of real freedom and security! **Register now free of charge for a chance to win a year of Basic Income:** <https://www.ubi4all.org/register>
