

2023 Report of News Service Editor, Peter T. Knight

In November 2021 I accepted an invitation to be acting News Service Editor, and I was elected to the position of News Service Editor at the 2022 General Assemblé. As such I have been responsible for recruiting, writing, and posting News items on the BIEN website, issuing the monthly News Bulletin currently being received by almost 14,000 subscribers, and participating in virtual meetings of BIEN's Executive Committee.

News items may be viewed at <https://basicincome.org/news/>. I occasionally receive suggestions for Opinion articles that I refer to Tyler Prochazka, BIEN Features Editor. I have sent out the monthly News Bulletin, featuring four leading News articles, toward the end of each month, beginning in November 2021. This is accomplished using MailChimp. I will be attending the 22nd BIEN Congress in the Republic of Korea this August.
