UBI4ALL's 7th Basic Income Raffle: Win €9,600 on November 24, 2024

UBI4ALL, a pioneering organization committed to advancing the concept of Unconditional Basic Income (UBI) worldwide, is excited to announce its 7th Basic Income raffle.

On **November 24, 2024**, UBI4ALL will award a life-changing €9,600 per year (€800 per month) to a lucky winner, expanding its reach beyond borders to empower individuals with financial stability. With this global expansion, we look forward to announcing even more exciting developments in our upcoming LIVE raffle.

The **Global Basic Income Initiative** marks a major milestone in UBI4ALL's mission to promote freedom and security for all. After successfully holding four UBI raffles in Europe, which have made a tangible difference in the lives of deserving recipients, UBI4ALL is eager to see where this transformative opportunity will take place next.

This initiative would not be possible without the unwavering support of our loyal monthly donors, fondly referred to as UBI Beavers. These dedicated supporters play a key role in sustaining UBI4ALL's vision of a world where everyone has access to a Basic Income that meets their essential needs.

"We are thrilled to have another opportunity for one of our nearly 46,000 supporters to experience Basic Income for a year – no strings attached," said founder Helwig Fenner. "Thanks to the ongoing support of our UBI Beavers, we can take this important step forward. This initiative isn't just about financial assistance, but about championing the idea of Basic Income as a tool for empowering individuals, driving innovation, and creating a fairer future for everyone."

With this announcement, UBI4ALL hopes to draw more attention, registrations, and support for its mission. The organization encourages individuals, companies, and associations worldwide to join the movement toward a more just and prosperous world.
